## CHIEF SECRETARIAT

Dated 28th January 1946.

**No. W. 1345—W. 94-44-3.** The following Press Communique dated the 12th December 1945, of the Government of India, is published for general information.

5565 V. VEDAVYASACHARYA, *Chief Secy.*

### Press Communique.

Dated the 12th December 1945.

Early in 1944, it was announced by the Government of India that non-Asiatic women and children wishing to come to India from the Dominions, Colonies and foreign countries would ordinarily be given permission, unless there were special reasons to the contrary, if they were joining a husband or guardian or appointment offering normal support and protection expected to continue during the war and that applications should be made to the Defence Department. It has been decided to remove these restrictions which were imposed on account of war conditions, and no applications for permission are now required. Applications for visas, where necessary for entry into India will, however, continue to be made as at present to Home Department. Families of Navy, Army and Air Force personnel will also be subject to such special orders issued by the service authorities as may be in force.
